

I understand that Sinclair Broadcast Group is planning on using FREE PUBLIC airways, the ones that SERVE THE PUBLIC, to show "Stolon Honor". I assume they will also be showing "Going Upriver" so as to not be the broadcaster to totally fail democracy.

You would not be condoning this behavior, would you?? It is certainly not how I teach my daughter to believe in American Democracy--or the students I teach in American classrooms.

I certainly hope you will do the right thing--because in your hearts you KNOW what that is.
